

I am a supporter and avid listener of the K-Love radio station in the Chicago/Elgin area. This is the one radio station that is truly positive and encouraging -that the whole family can listen to. If K-Love were to be displaced by an LPFM broadcaster providing other programming, our community would be lacking the "good news" that we need in the world today. The service provided by K-Love is in the public interest to inform the local community of Christian events going on in the area, as well as the nation. This is a radio station that truly reaches out to the community to make a difference in the lives of many! Please keep K-Love on the air!
